“

Anthill Creations aims to bring back play for children of all sections of the society, by making it accessible and affordable. Our playscapes are modular and do-it-yourself, and can be completed in less than 5 days. The team started their journey from IIT Kharagpur in 2015 and have so far built 300+ playgrounds across 18 states impacting the lives of 200,000+ children.

”

“

World Without Obstacles aims at improving the lives of people throughout the world through education, health environment and culture.

# PLAY IN A BOX

Play in a box is an initiative for a child's holistic development while at play. It is a box full of possibilities and aspirations to give the children a year full of playfulness. It gives them the resources to keep their curiosity and creativity alive without any dependencies on digital mediums.

# What's inside the Box?

“Play in a **BOX**” gives children a very convenient way to play & learn without leaving their home while having tons of fun! It's designed to inspire our young innovators, artists, designers, makers, and scientists.

- The box contains 5-6 curated engagement activities that are hand-picked based on the age-group of 5-7 years, namely

<i>Physical Activity Mat</i>	<i>Discover India</i>
<i>Jungle Game</i>	<i>Memory Card Game</i>
<i>Art-Based Games/DIY Dice</i>	<i>Domino - Building Blocks</i>

- The box comes with assorted self-made dices which are designed to help the child select the next activity to engage with which ensures equal focus on all aspects of growth.
- As a thumb-rule, we provide playful illustration based guidelines for each activity in the local language.
